INTRODUCTORY

My Dear Sir:—

My aim to offer you a sale containing material to interest every student of numismatics has never been more amply fulfilled than in the offering of the Collections of which this sale is composed.

The nearly two thousand lots offered you in this sale comprise such a vast variety of interesting numismatic material that I do not hesitate to state that it most certainly contains something of interest to every numismatist.

The variety of this sale and the number of interesting and rare specimens are so numerous that mention of them here is impossible. I simply invite you to kindly look the catalogue over carefully, and I assure you in advance that the bids you will send will receive my most careful attention and will be greatly appreciated by me.

THE TERMS OF SALE

are simple. First of all I want you to please remember that I guarantee absolute satisfaction. **I CHARGE NO COMMISSION FOR EXECUTING BIDS.**

When I receive your bids, I consider myself as your agent and buy for you at as much under your bid as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

All bids are entered as received and the lots distributed to the highest bidder. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5 per cent over the highest bid. The lots are sold as catalogued at so much **PER PIECE**. No lot is broken under any circumstances. If there are ten pieces in a lot and you want to offer \$1.00 for the lot, make your bid 10c.

Collectors bidding for the first time and whose good standing is not known to me, should send a deposit covering at least 25 per cent of their bids.

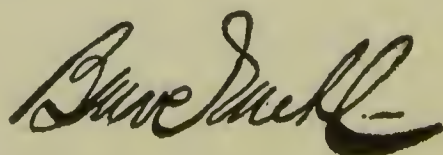

I guarantee all coins and notes to be genuine unless otherwise stated in the catalogue. This guarantee holds good indefinitely.

THE PRICE LIST OF THIS SALE showing amounts realized for each lot is issued promptly after the sale and sold for only Fifty Cents, cash with order. This is surely the cheapest and best method to keep posted on the prevailing values of coins.

If you desire, I shall be pleased to give you any additional information on any lot in the sale.

With my assurance of my careful attention to all bids entrusted to my care and absolute satisfaction to you in every respect, I am,

Cordially yours,

Fort Worth, Texas, September 24, 1914.

“Numismatic Service”

The following letter, which I received unsolicited, I respectfully submit for the consideration of collectors whenever they may contemplate the sale of their collection:

RICHARD LAMBERT
SECRETARY

GRAND SECRETARY'S OFFICE

The Grand Lodge of the State of Louisiana

FREE AND ACCEPTED MASONS

NEW ORLEANS, AUG. 15, 1914

B. Max Mehl, Esq.,
Fort Worth, Texas.

My dear Sir:-

I beg to acknowledge receipt of yours of the 11th inst., together with Statement of Sale of my Collection of Coins, July 14th, and proceeds of same represented by check, for all of which I thank you most sincerely.

The result of the Sale is entirely satisfactory to me and fully evidences your ability in disposing of the collection, and assure you of my confidence and true appreciation.

Thanking you very much, and wishing you continued good health and prosperity, believe me,

Very sincerely yours,

(Signed) RICHARD LAMBERT.

I KNOW WHAT
“Satisfactory Service”
MEANS

An occasional testimonial of satisfactory results obtained is not altogether proof of the efficacy of any method or system.

But when testimonials of such CONTINUOUS satisfactory results obtained through my auction methods are offered, it deserves your serious attention.

The letter of Major Lambert, printed on the other side of this cover, is exceptional only in that it is of the same *exceptional* tone, as are all letters received from numismatists whose collections were sold by me.

B. MAX MEHL
